

REBATES FOR YOUR HOME

Thank you for your commitment to energy efficiency

Commercial Lighting
Irrigation

► On the Farm

step 1 Confirm you're qualified

You have the option to:

- 1) Review qualifications below.
- 2) Review qualifications on inlandpower.com/energysavings.
- 3) Contact an Inland Power energy advisor at 509-789-1801.

step 3 Select your rebates

Select the rebate product(s) you are applying for and enter product information. (Qualifications are below)

- Freeze-resistant stock water tanks/fountains: \$165 Quantity: _____
- Thermostatically Controlled Outlets: \$14 Quantity: _____
- Thermostatically Controlled Stock Tanks: \$52 Quantity: _____

step 2 Tell us about yourself (name, address and home information)

MEMBER ACCOUNT NUMBER (Where equipment is installed)			
NAME			
ADDRESS (Where equipment is installed)	CITY	STATE	ZIP CODE
MAILING ADDRESS (If different)	CITY	STATE	ZIP CODE
PHONE NUMBER			
EMAIL ADDRESS			

How do you want to receive your rebate?

- Account Credit
- Check

step 4 Attach the following:

- Copy of the final invoice or receipt.

FREEZE-RESISTANT STOCK WATER TANKS/FOUNTAINS QUALIFICATIONS

- New (i.e., not home or kit made).
- Enclosed, fully foam or dead-air-space insulated, with opening completely sealed in impact-resistant polyurethane.
- Possess elliptical or flap closures that tip easily so animals can drink without resistance.
- Contain no electric heat.
- Possess a minimum five-year manufacturer defect warranty.

THERMOSTATICALLY CONTROLLED OUTLETS

- Should turn on to prevent freezing conditions and turn off at temperatures no higher than 50 degrees Fahrenheit.
- Only one outlet per pump house or utility room.

THERMOSTATICALLY CONTROLLED STOCK TANKS

- The de-icer must be thermostatically to prevent freezing and to prevent continuous operation after the threat of freezing has passed.
- Only one thermostatically controlled tank de-icer per tank.

GENERAL QUALIFICATIONS

- Incentive not to exceed job cost.
- Rebate application must be submitted within 90 days of installation.
- Must be installed in IPL's electric service area.
- Must install to comply with all federal, state and local code requirements.
- Allow 4 to 6 weeks for processing.

step 5 Sign the terms & conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that IPL provides the rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that IPL has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and subject to change or termination without prior notice. IPL reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide IPL reasonable access for such purposes. I authorize IPL to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation.
