

# LINE MODIFICATION - NEW

our mission is our members

In order to prevent delays in scheduling your new service job and to avoid problems with recording your easement with the county, please read the following easement instructions.

- **Do not alter or write in the margins, this includes your signature.**
- We cannot accept faxed, copied or emailed easements.
- For each easement; a copy of the recorded Statutory Warranty Deed, Deed of Trust or Quit Claim Deed is required to show proof of property or ownership. The documents must include the tax parcel number and legal description of property.
- **Do not print the easement double-sided.** Please print on two separate pages.
- Any attachments must have 1" margins on all four sides. Maps must be legible, black and white (no color) and not have any lines or dashes that cover the text. All fonts used must be legible.
- All legal property owners must sign the easement. (Those names listed on the Warranty Deed)
- The signatures must be notarized. (IPL has a notary available)
- Please inform your notary that the stamp must be legible and not placed over any part of the written document otherwise the county will not record the easement. The bottom 1/4 of the signature page is reserved for the notary stamp.

**Please note when printing the easement off our website, your easement will not be accepted if font is less than eight point, if any part of the text is not legible or if the margins do not meet recording specifications.**

**If the easement is not recordable your job will not be released to construction for scheduling until a proper easement is received.**

Assessor's property tax parcel \_\_\_\_\_

Grantee, its successors and assigns is also granted the right, privilege, and authority to clear cut 10 feet each side of an overhead conductor and/or cut, remove and trim trees, brush, shrubbery and other obstructions to the extent necessary to keep them clear of said electric line or system and to cut down from time to time all dead, weak, leaning or dangerous trees that are tall enough to strike the wires in falling, or the branches thereof, to chip and spread branches and other foliage and to pile stack logs as necessary alongside the cleared right-of-way: and to license, permit, or otherwise agree to the joint use or occupancy of the line or system by any other person, association or corporation, for electrification, telephone, or communication needs.

It is agreed that areas over buried vaults, cables, and within the right-of-way shall remain free and clear of structures, barriers, building, trees, shrubbery and/or any other physical encumbrances except by written consent of Grantee.

Free access to all facilities over the Grantors adjacent lands will be allowed at all times. Grantee shall not be responsible for loss, replacement or damage of any improvements or other things below, over or upon such easement necessitated by the Grantee's use of this easement.

The Grantor expressly agrees that non-use or limited use of this easement by the Grantee does not demonstrate intent to abandon this easement. Grantee shall retain all rights, privileges, purpose and scope as conveyed and granted within said easement until such time when Grantee expressly notifies Grantor in writing that Grantee is vacating its electric transmission and distribution facilities.

**PLEASE DO NOT WRITE IN ABOVE SPACE OR MARGIN.**
