Pre-Existing secondary heat source (If applicable): _____

Water Heat Source: ☐ Electric ☐ Gas

New Equipment Information

Information	Thermostat
Thermostat manufacturer required	☐ Honeywell (Resideo) ☐ ecobee ☐ Nest ☐ Lennox
Thermostat model required	
Who installed thermostat? required	☐ Homeowner ☐ Contractor

REBATE APPLICATION - THERMOSTAT

our mission is our members

Requirements & Specifications

- This measure is available for all types of existing residential buildings (single-family and manufactured)
- Must be electrically heated by central forced-air furnace or heat pump
- Thermostat must be able to connect to wifi
- Be on the BPA Advanced Smart Thermostat Qualified Products List (see Inland Power's website)
- Have occupancy detection set to on
- If the thermostat controls a heat pump, be programmed to control a heat pump
- Homes heated with propane or natural gas furnaces do not qualify for this rebate.
- One advanced smart thermostat per home.
- Only applies to single family, multifamily and manufactured home residential members.
- Commercial accounts will not qualify (call for further details).
- Qualifying thermostats must be installed in IPL's electric service area. Must install to comply with all federal, state and local code requirements.

Payment

- \$150 Payment Type: ☐ Account credit ☐ Check
 Please allow 4-6 weeks for processing

Documentation Requirements

- ☐ Completed rebate application (Incomplete applications, including missing documentation will result in disqualification)
- ☐ Equipment or contractor invoice showing:
 1. Order or Purchase Date
 2. Manufacturer and Model # (both required)

Terms & Conditions

Completed application must be received within 90 days of the installation date to be considered for an incentive. Homeowners must comply with all applicable codes and regulations. Limit one per household. Available to all active Inland Power & Light (IPL) members. Rebate pay out/amount not to exceed cost on invoice. If account is past due, the rebate will be applied to the past due balance. IPL reserves the right to inspect installation and will coordinate inspection as applicable. IPL is not responsible for any part of the appliance maintenance, power consumption, or any and all implied warranties (including but not limited to implied warranties or merchantability or fitness for a particular purpose) and shall not be responsible for any representation or promise with respect to the equipment, materials or labor required for the installation of the appliance on the premises, or the cost of such equipment, materials and labor. Additional conditions may apply. I authorize IPL to release my member account information, including my billing and energy usage information, to an independent third-party evaluator solely for the purposes of evaluation this rebate program, confirming energy savings and other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation. By signing below, the member implies that all information provided is true and accurate to the best of their knowledge.
