Member Information

Member Name: _____ Member #: _____

Phone #: _____ Email: _____

Site Installation Address

Street Address: _____

City: _____ State: _____ Zip: _____

Is this your primary residence? ☐ Yes ☐ No

Mailing Address (if different than above)

Street Address: _____

City: _____ State: _____ Zip: _____

Qualifying Information

Date of Installation: _____ Year home was built: _____ Approx. Sq. Ft. of Home: _____

Rebate is for: ☐ Existing home ☐ New Construction Type of Home: ☐ Single-Family ☐ Manufactured
(New & existing qualify)

Pre-Existing Primary Heat Source: ☐ Any electric zonal ☐ Electric Forced Air Furnace (with AC) ☐ Electric Forced Air Furnace (without AC)
☐ Ductless Heat Pump ☐ Wood/Pellet Stove ☐ Propane ☐ Natural Gas ☐ Oil ☐ Ducted Heat Pump

Pre-Existing secondary heat source (If applicable): _____

Water Heat Source: ☐ Electric ☐ Gas

New Equipment Information

Installer/Contract Company Name: _____
(Must be installed by a preferred Inland contractor. See attached list of preferred contractors)

Installation Type: ☐ Upgrade ☐ Conversion

Outdoor unit manufacturer: _____ Outdoor unit model #: _____

HSPF Rating: _____ AHRI Certified Reference #: _____

REBATE APPLICATION DUCTED HEAT PUMP

Inland Power

General Requirements & Specifications

- Must select a contractor from IPL's Contractor Network (If your contractor is not on IPL's preferred contractor list, please call IPL conservation team at (509) 789-1801).
- New and existing manufactured homes assembled after 1977
- Homeowner installs do not qualify
- Equipment must be AHRI tested and certified (Provided by contractor)
- Duct sealing is recommended
- Must meet federal standards for high efficiency heat pump requirements.
- Manufacturer claims of "equivalent to AHRI certified equipment" will not be accepted.

Please see page three for more specific requirements

Payment

- Conversion from electric forced air force to High Efficiency or Variable Speed Heat Pump HSPF 9+ or HSPF2 7.6 (min):

☐ Variable Capacity model: \$1,560

Payment Type: ☐ Account credit ☐ Check

Please allow 4-6 weeks for processing

☐ New Construction/Replacement/Upgrade*: \$600

See page three for "upgrade definition"

Documentation Requirements

Required Documents

- ☐ Completed rebate application (Incomplete applications, including missing documentation will result in disqualification)
- ☐ Contractor/equipment invoice showing:
 1. Manufacturer, model number, type, size and quantity of equipment installed
 2. Purchase/Installation date

- ☐ AHRI Certificate
- ☐ Photo of faceplate on indoor and outdoor units.
- ☐ Copy of mechanical and electrical permits.

* All model numbers must match AHRI certificate, invoice and photos of installed units.

REBATE APPLICATION DUCTED HEAT PUMP

Inland Power

our mission is our members

High Efficiency Heat Pump & Variable Speed Heat Pump Qualifications

- Available for new construction, existing single-family and manufactured homes.
- ***Heat Pump Upgrade applies to the following situations:**
 - Replacing an existing heat pump.
 - Installing a VSHP in single family new construction.
 - Installing a VSHP in a existing single family or existing manufactured home without any previously existing primary heating system.
 - Adding a heat pump to a nonelectric heating system (e.g., gas, oil, propane or wood).
 - Upgrading from zonal, including zonal hydronic systems that do not utilize a duct system for distribution to VSHP.
 - Replacing a ductless mini-split heat pump.
- When a home is hydronically heated, an electric resistance water heater is considered equivalent to an electric furnace.
- Newly installed air-source heat pump must be AHRI performance certified with a 9.0 HSPF or HSPF2 7.6 (min).
- Manufacturer claims of "equivalent to AHRI certified equipment" will not be accepted.
- Must be Energy Star qualified.
- Cannot be claimed in combination with any other heat pump measure.

☐ I understand my contractor must supply all required documentation before rebate can be processed.

☐ I have read and accept all requirements for my heat pump.

Terms & Conditions

Completed application must be received within 90 days of the installation date to be considered for an incentive. Homeowners must comply with all applicable codes and regulations. Limit one per household. Available to all active Inland Power & Light (IPL) members. Rebate pay out/amount not to exceed cost on invoice. If account is past due, the rebate will be applied to the past due balance. IPL reserves the right to inspect installation and will coordinate inspection as applicable. IPL is not responsible for any part of the appliance maintenance, power consumption, or any and all implied warranties (including but not limited to implied warranties or merchantability or fitness for a particular purpose) and shall not be responsible for any representation or promise with respect to the equipment, materials or labor required for the installation of the appliance on the premises, or the cost of such equipment, materials and labor. Additional conditions may apply. I authorize IPL to release my member account information, including my billing and energy usage information, to an independent third-party evaluator solely for the purposes of evaluation this rebate program, confirming energy savings and other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation. By signing below, the member implies that all information provided is true and accurate to the best of their knowledge.
