Qualifying Information

Date of Installation: _____ Year home was built: _____ Approx. Sq. Ft. of Home: _____

Rebate is for: Existing home New Construction Type of Home: Single-Family Manufactured
(New & existing qualify)

Pre-Existing Primary Heat Source: Any electric zonal Electric Forced Air Furnace Ductless Heat Pump
 Wood/Pellet Stove Propane Natural Gas Oil Ducted Heat Pump

Pre-Existing secondary heat source (If applicable): _____

Water Heat Source: Electric Gas

New Equipment Information

Installer/Contract Company Name: _____

(Must be installed by a preferred Inland contractor. See attached list of preferred contractors)

Installation Type: Upgrade Conversion

Outdoor unit manufacturer: _____ Outdoor unit model #: _____

HSPF Rating: _____ AHRI Certified Reference #: _____

REBATE APPLICATION DUCTED HEAT PUMP

our mission is our members

General Requirements & Specifications

- Must select a contractor from IPL's Contractor Network (If your contractor is not on IPL's preferred contractor list, please call IPL conservation team at (509) 789-1801).
- New and existing manufactured homes assembled **after 1977**
- Homeowner installs do not qualify
- Equipment must be AHRI tested and certified (Provided by contractor)
- Duct sealing is recommended
- Must meet federal standards for high efficiency heat pump requirements.
- Manufacturer claims of "equivalent to AHRI certified equipment" will not be accepted.

Please see page three for more specific requirements

Payment

- Conversion from electric forced air force to High Efficiency or Variable Speed Heat Pump HSPF 9+ or HSPF2 7.6 (min):

High Efficiency model: \$1,000

Variable Capacity model: \$1,200

- New Construction/Replacement/Upgrade*: \$200

See page three for "upgrade definition"

Payment Type: Account credit Check

Please allow 4-6 weeks for processing

High Efficiency Heat Pump & Variable Speed Heat Pump Qualifications

- Available for new construction, existing single-family and manufactured homes.
- ***Upgrades** include upgrading to variable speed heat pump. Upgrades are also defined as replacing ASHP, zonal electric, wood, oil, propane, gas or no existing heating system.
- When a home is hydronically heated, an electric resistance water heater is considered equivalent to an electric furnace.
- Newly installed air-source heat pump must be AHRI performance certified with a 9.0 HSPF or HSPF2 7.6 (min).
- Manufacturer claims of “equivalent to AHRI certified equipment” will not be accepted.
- Must be Energy Star qualified.
- Cannot be claimed in combination with any other heat pump measure.

I understand my contractor must supply all required documentation before rebate can be processed.

I have read and accept all requirements for my heat pump.

Terms & Conditions

Completed application must be received within 90 days of the installation date to be considered for an incentive. Homeowners must comply with all applicable codes and regulations. Limit one per household. Available to all active Inland Power & Light (IPL) members. Rebate pay out/amount not to exceed cost on invoice. If account is past due, the rebate will be applied to the past due balance. IPL reserves the right to inspect installation and will coordinate inspection as applicable. IPL is not responsible for any part of the appliance maintenance, power consumption, or any and all implied warranties (including but not limited to implied warranties or merchantability or fitness for a particular purpose) and shall not be responsible for any representation or promise with respect to the equipment, materials or labor required for the installation of the appliance on the premises, or the cost of such equipment, materials and labor. Additional conditions may apply. I authorize IPL to release my member account information, including my billing and energy usage information, to an independent third-party evaluator solely for the purposes of evaluation this rebate program, confirming energy savings and other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation. By signing below, the member implies that all information provided is true and accurate to the best of their knowledge.
