We will have several great prizes whether you cast your vote electronically, in person or by mail. There are three ways to vote for your board of trustees during the 2018 election:

1. **ELECTRONIC VOTE** (Recommended)
   - To cast an electronic vote, simply login to your Inland Power SmartHub online account and click on the Vote Now button found in the upper right hand corner (browser pop-ups must be enabled). You will be directed to our secure third party vendor, Survey & Ballot System’s website. Read the candidate bios and vote for a candidate from each district. Walk through the website steps and cast your vote.
   - If you do not have an Inland Power SmartHub account simply go to our website at www.inlandpower.com and click on “Register” in the top right hand corner. Follow the prompts for the new user registration so that Inland Power can verify your membership. Once activated, click on the Vote Now button (sample above) and follow the steps. Please contact our member service department at (509) 789-4277 if you have any questions or need assistance setting up your SmartHub account.
   - Electronic votes must be cast by 5:00 p.m. on Tuesday, March 27, 2018.

2. **IN PERSON BALLOT**
   - Please bring your enclosed official ballot to vote in person at the meeting. During the meeting, simply complete the official ballot after hearing the candidate speeches. Please sign and date the bottom of your ballot or it cannot be counted.

3. **MAIL IN BALLOT**
   - Please see the official ballot included in this packet. Use the perforation to tear off your official ballot from the registration card. Cast your vote by marking one candidate for each of the three open districts. Please sign and date the bottom of your ballot or it cannot be counted. Place your signed official ballot in the postage-paid envelope addressed to the law firm, Randall / Danskin, who will be collecting all of our election ballots and overseeing the entire election process.
   - Mail in ballots must be received at Randall / Danskin by Friday, March 30, 2018.

**BALLOT / VOTE VERIFICATION**

To ensure one vote per membership, our external law firm, Randall / Danskin, will be overseeing the trustee vote count. If a member accidentally votes in more than one form, the electronic vote will count first, mail in ballot second and lastly the in person ballot. At each stage of voting there will be a verification process to ensure that a member has not already cast their vote.
