

# ADVANCED SMART THERMOSTAT

## Project information form

For single family, multifamily & manufactured home residential customers

Instructions: Complete this form and submit to Inland Power & Light with a copy of the receipt showing manufacturer, model number, purchase date and price.

### step 1 Qualifications

The installed thermostat must:

1. Be on the BPA Advanced Smart Thermostat Qualified Products List (see Inland Power's website)
2. Have occupancy detection set to on, and
3. If the thermostat controls a heat pump, be programmed to control a heat pump

Rebate application must be submitted within 90 days of installation.

Applies to single family, multifamily and manufactured home residential members. Commercial accounts will not qualify (call for further details). Qualifying electric equipment must be installed in IPL's electric service area. Must install to comply with all federal, state and local code requirements.

Allow 4-6 weeks for processing.

Thermostat manufacturer	<input type="checkbox"/> Bryant <input type="checkbox"/> Carrier <input type="checkbox"/> ecobee <input type="checkbox"/> Nest
Thermostat model	
Thermostat serial number	
Who installed the thermostat	<input type="checkbox"/> Homeowner <input type="checkbox"/> Contractor

### step 5 Sign the terms & conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that IPL provides the rebate incentives for measures that are designed to save energy, but I acknowledge that estimated energy savings are not guaranteed, and I understand that IPL has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and subject to change or termination without prior notice. IPL reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide IPL reasonable access for such purposes. I authorize IPL to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation.
