I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that IPL provides the rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that IPL has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and subject to change or termination without prior notice. IPL reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide IPL reasonable access for such purposes. I authorize IPL to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation.
