

REBATES TO HELP \$AVE YOU MONEY

Thank you for your commitment to energy efficiency

step 1 Qualifications and steps to redeem

- 1) You are an active Inland Power member.
- 2) Install a 240v Level 2 electric vehicle charger at your home.
- 3) Include a purchase receipt for your charger, a photo of the installed charger & a copy of the vehicle registration.
- 4) Contact an Inland Power energy advisor at 509-789-1801 or conservation@inlandpower.com.

step 4 Sign the terms & conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that IPL provides the rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that IPL has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and subject to change or termination without prior notice. IPL reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide IPL reasonable access for such purposes. I authorize IPL to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation.

SIGNATURE (Typed signature is accepted)

DATE

step 2 Tell us about yourself (name, address and home information)

MEMBER ACCOUNT NUMBER (Where equipment is installed)

NAME

ADDRESS (Where equipment is installed) CITY STATE ZIP CODE

MAILING ADDRESS (If different) CITY STATE ZIP CODE

PHONE NUMBER
