### How do you want your rebate?

- Account Credit  
 Check

### NEW ENERGY STAR MANUFACTURED HOMES (NEEM)

- Electrically heated.
- New and designed, constructed and certified by the NEEM program as Energy Star (including Eco-Rated homes).
- Along with this form, please submit a copy of the Energy Star certificate of Compliance.

### GENERAL QUALIFICATIONS

- Rebate application must be submitted within 90 days of installation/completion.
- Qualifying electric equipment must be installed in IPL's electric service area.
- Applies to existing single-family properties or individually metered attached housing with four units or less. Multi-family and commercial accounts will not qualify (call for further details).
- Must install to comply with all federal, state and local code requirements.
- Allow 4-6 weeks for processing.

## step 4 Attach the following:

- Attach a copy of the Energy Star Certificate of Compliance.

## step 5 Sign the terms & conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that IPL provides the rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that IPL has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and subject to change or termination without prior notice. IPL reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide IPL reasonable access for such purposes. I authorize IPL to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation.

## step 6 Submit completed application
