WINDOW REPLACEMENT QUALIFICATIONS

- Does not apply to new construction, additions that expand the home's square or cubic footage.
- Non-living spaces do not qualify (i.e. garages, shops, etc.)
- Available only for electrically heated existing single family and manufactured homes.
- Must upgrade from existing single-pane in any frame (wood, metal or vinyl) OR double-pane in metal framed windows to energy efficient windows.
- New windows have an NFRC rated U-factor of .30 or lower; new patio doors must have an NFRC rated U-factor of .35 or lower.
- Self-installed windows require a pre- and post-inspection by an IPL representative OR photos of the pre-existing windows submitted with your rebate form.
- Contractor installed windows must have a pre-existing window condition and U-factor of newly installed windows clearly stated on their invoice.
- Please submit the following:
 - Inland Power rebate application
 - Invoice showing date of purchase, purchase price, individual window dimensions, quantity and U-factor.

GENERAL QUALIFICATIONS

- Rebate application must be submitted within 90 days of installation.
- Qualifying electric equipment must be installed in IPL's electric service area.
- Applies to existing single-family properties or individually metered attached housing with four units or less. Multi-family and commercial accounts will not qualify (call for further details)
- Cannot be combined with any other rebates except where noted.
- Must install to comply with all federal, state and local code requirements.
- Allow 4 to 6 weeks for processing.

step 3 Select your rebates

<input type="checkbox"/> Wood <input type="checkbox"/> Metal	Installed by: _____

step 4 Attach the following:

- Attach a copy of your final invoice or receipt.

step 5 Sign the terms & conditions

I acknowledge that the product(s) described above have been purchased and installed at the location indicated. I understand that IPL provides the rebate incentives for measures that are designed to save energy but I acknowledge that estimated energy savings are not guaranteed and I understand that IPL has made no express warranties or representations with regard to these products or their installation. I acknowledge that I am responsible for meeting applicable code requirements, determining the adequacy of installation, and paying all amounts owed to contractors/suppliers. Further, I understand that this is a tariffed service and subject to change or termination without prior notice. IPL reserves the right to inspect any installation prior to rebate approval and/or after rebate payment and I agree to provide IPL reasonable access for such purposes. I authorize IPL to release my customer account information, including my billing and energy usage information, to an independent, third-party evaluator solely for the purposes of evaluating this rebate program, confirming energy savings and for other quality assurance purposes. The disclosure of your private information will comply with IPL's privacy policy and state regulation.
